**Statement: Illegal Extension by Governor Evers**

**Madison…**Speaker Robin Vos (R-Rochester) released the following statement.

"Wisconsin's lawless governor continues to rule by fiat and it must end. This latest order is obviously illegal. Wisconsin Statutes clearly state the powers given to the executive branch during a public health emergency are limited. There is already a court challenge and undoubtedly, there will be more. No one branch of government can rule outside the letter of the law and go unchecked, even during a pandemic.
