JUSTICE PROSSER CLEARED

Wisconsin Supreme Court Justice David Prosser released the following statement this morning after the decision by the special prosecutor regarding the reported incident.

“Justice Ann Walsh Bradley made the decision to sensationalize an incident that occurred at the Supreme Court. This matter has now been reviewed by Dane County Sheriff’s Department detectives, the Dane County District Attorney and an appointed independent special prosecutor. Today, the investigation of the incident has been completed.”

“I was confident the truth would come out - and it did. I am gratified that the prosecutor founds these scurrilous charges were without merit.”

“I have always maintained that once the facts of this incident were examined I would be cleared. I look forward to the details of this investigation becoming public record.”

“Being in public service has been the honor of my life. I cannot express enough thanks for the hundreds of good wishes I’ve received from people across the state in the last several weeks.”
